

GROUP & BOILER

COFFEE CO.

WELL, HERE'S OUR MENU.

COFFEE
HOT/ICED

Double Espresso

A serving of concentrated coffee, if you're strong enough.

110

Long Black

An americano, only with a funnier name.

120

Flat White

It's something the Aussies came up with. Or was it the Kiwis?

130

Cappuccino

The Italians say you should drink this in the morning and the morning only. It's really up to you though.

140

Latte

It's 'caffé latte' actually, or we'd just serve you milk.

150

Mocha

Coffee and chocolate, because you were going to eat chocolate afterwards anyway.

170

Spice Latte

NEW!

Sugar, spice, and everything ni-- *blocked by copyright*

170

Butterscotch Latte

Gorgeous on the outside, and sweet on the inside. Just like mum.

170

Cold Brew

Ask us what we have. Not available as hot. Now stop asking.

MORE COFFEE

- Single Origin Pour Over** 150
We use fancier coffee and brew it in a more complicated way.
- The Group & Boiler Signature** 180
This is exciting stuff! We thought about this while we were far from sober.
- The Other Group & Boiler Signature** 180 **NEW!**
You thought we just came up with one idea??

NOT COFFEE

- Hot/Iced Chocolate** 130
Chocolate is from a tree, which makes it a plant, so this counts as a salad.
- Matcha Latte** 170
Rich in antioxidants, plus it's green so it must be healthy, right?
- Chai Latte** 170
Artisanal, homemade, and preservative-free chai. Of course it has to be.
- Green/Black Tea** 120
If you're that friend who was dragged here and you really aren't a coffee drinker, we got you covered.
- Fresh Squeezed Lemonade** 120
It's pretty self-explanatory, really.
- Fresh Squeezed Orange Juice** 130
So is this one.

EXTRAS

- Extra Espresso Shot** +50
We wish you all the best.
- Switch to Decaf** +10
All the goodness, without the kick.
